

Team America

4/12/2011

Leader: Billy Parker

Minutes: George Warner

### Minutes for Meeting #11

- LCD works
- How does the timer work on the microcontroller?
- How does the oscillator function on the microcontroller
- Will be testing generator on truck
- Will a long cable be an issue for the signals?
- The GPS still needs work
- Need to figure out how to send strings to the LCD screen using interrupts
- Golf this summer?
