

Team America
3/22/11
Leader: George Warner
Minutes: Bill Hazel

Agenda #8

1. GPS circuit and software
 - Bill
2. SD card alternative
 - USB based flash drive instead of SD?
 - Already checked with Dr. Bauer, he prefers the idea of USB flash
3. Modifications to MOSFET driver board
 - Addition of current sensor circuitry; unity-gain buffer (op-amp), resistor divider
 - Voltage regulators
 - Power lines to battery, microcontroller
 - Insulative shields for screw terminals
4. Changes to generator control code
 - Billy
