Open Sesame Agenda
11 February 2014
Meeting Leader: Angie Savela
Secretary: Denise Garcia

1. Subsystems
    a. Door Status Subsystem
        i. Still incomplete:
            1. Write up
            2. Demonstration
    b. Camera Subsystem
        i. New progress
        ii. Still incomplete:
            1. Camera controls code
            2. UART between camera and microcontroller
    c. Phone/App Subsystem
        i. New progress:
            1. Android App GUI
        ii. Still incomplete:
            1. Using internet connectivity to communicate with imp cloud
            2. Identify what network the device is connected to
    d. Garage Communication Subsystem
        i. New Progress
            1. Microchip HCS362 encoder/transmitter sample ordered (awaiting arrival)
            2. Universal remote research
        ii.Still incomplete:
            1. Construction of RF circuit compatible with transmitter
            2. Program microcontroller/transmitter interface
2. Additional Items
    a. Alternative meeting times for demos:
        i. Thursday: 8:30 AM
        ii. Friday: 9 AM, 4:15PM
    b. Additional questions/concerns
