POTC Meeting Agenda 3/19/14

Meeting Leader: Rob Mustak

Minutes: Bryce Persichetti

1. Update on video processing program.
2. Progress on getting Open CV onto raspberry pi.
3. Status of the video feed.
4. Plan on attaching and powering servo motors.
5. Plan for controlling servo motors.
6. Cell phone app plan, and display plan. Lowest priority.
7. Action Items.
   a. Learn how to send data to the server that we have from raspberry pi.
   b. Decide how the servos will be controlled.
   c. Determine where we will stream the live video feeds.
   d. Contac Yaakov to set up a server that would work off campus. Also, if we could stream live video to our website.
   e. Finish Video processing program.
