

## Meeting Minutes (4/20/2015)

- Update on individual subsystems
  - Karina: Adapting code for use in PIC18 microcontroller, update website
  - Justin: Adapting code for new microcontroller
  - Matt: Adapting code for use in PIC12 microcontroller
  - Arnaud: Working on part of code for use in PIC18, finalize battery considerations
- **Other discussion:**
  - Incorrect package for Microcontroller placed on mixer board, solution needed to ensure pins make proper connections.
  - Boards will be in by Friday.
