

Power Rangers
Jan 15th 2015

Meeting Leader: Meaghan Hannon

Attendance: Dr Shaffer, Anjola, Evan, Sarah.

Meeting started at 2pm promptly and was attended by Dr Shaffer and the Power Rangers
Meaghan summarized the HLD feedback.

Dr Shaffer advised on using a single sided current sensor.

The first demonstration should show that the control system (software) and the DC-DC
converter (hardware) work.

User Interface and component adaptability should be addressed in first design review

Regular meetings set for 9am on Wednesdays.

Minutes by Anjola.
